

E H BENNETT'S COLOMBIAN LONGFLAME - THE ARISTOCRAT OF HOUSECOAL

LONGFLAME

ACKNOWLEDGED AS THE MOST SUPERIOR HOUSECOAL CURRENTLY AVAILABLE

- Consistently the best housecoal on the market.
- Exceptionally high heat value.
- Virtually no ash (about 1%) and almost sulphur-free (about 0.5%).
- No swell or stickiness, a totally free-burning coal.
- Burns with a beautiful long hot living flame.
- Always in stock at Avonmouth, we wash and screen every load.

**We can offer cheap and cheerful coal too,
but with coal like this your customers
won't want to change to oil or gas - let's
work together to keep them.**
